GREETINGS FROM THE CHANCELLOR

Dear Graduates,

Congratulations on your graduation! While you have done the hard work, this is also a day for your family, friends and faculty members to celebrate.

The University was established in 1946 as a center offering evening classes to serve veterans returning from World War II. Over our short history, we've grown to become North Carolina's urban research university with more than 30,000 students. While we are still young, we have a rich history of making the dream of higher education a reality for students, in North Carolina and beyond. Our many accomplishments have been made possible by the extraordinary students, exceptional faculty and staff, dedicated alumni, generous friends and strong leaders who helped us move forward.

Great things are happening at Charlotte. We are thrilled that we've achieved a position as one of the nation's top 100 public universities in the 2024 U.S. News & World Report Best College rankings, at No. 96. Further, Charlotte is one of the fastest rising national universities, moving up 41 spots in the rankings. It's exciting to see Charlotte recognized for the work we're doing to help students of all backgrounds succeed.

With record research expenditures, The Chronicle of Higher Education is projecting Charlotte will be classified as an R1 university in early 2025, increasing the value of your degree and further broadening our impact on our region and state.

What is happening – collectively and simultaneously – is happening only at Charlotte.

You should be proud of the degree you have earned from UNC Charlotte, as it provides you with much more than career opportunities. Throughout your time at Charlotte, you have grown intellectually, emotionally and socially through lively classroom discussions, campus activities and internships. You have had opportunities to interact with individuals from other cultures and to engage in the greater Charlotte community.

I speak for the UNC Charlotte Board of Trustees, faculty, staff, alumni and friends when I offer congratulations, and tell you that we are proud of your accomplishments. Thank you for letting us be a part of this significant journey in your life.

You are now beginning a new relationship with the University as a proud member of the UNC Charlotte Alumni Association, more than 174,000 strong, across the globe. Use this network, get involved and stay engaged. May your Niner pride grow stronger as the years go by, and may you continue to cherish the friendships and memories you made on campus. Most importantly, always remember that wherever you go, you are a 49er!

Sincerely,

A handwritten signature in black ink that reads "Sharon L. Gaber". The signature is written in a cursive, flowing style.

Sharon L. Gaber
Chancellor

UNC CHARLOTTE BOARD OF TRUSTEES

Dennis N. Bunker III '81, a native of Salisbury, North Carolina, began his commercial real estate career in 1981 after graduating from UNC Charlotte with a Bachelor of Arts in Economics. His early work in the industry consisted of self-investing in real estate, general brokerage and construction. Since 1991, his company, Bunker Land Group, has actively engaged in the development and investment of commercial real estate and provided site selection services for development and investment partners and clients. Property types include multi-family, single-family, retail, mini-storage, hotel, industrial and mixed-use.

Bunker is an advocate for higher education and continuing education in the real estate industry. He has attained the prestigious professional designations of Certified Commercial Investment Member (CCIM) and Member of the Appraisal Institute (MAI), along with a Master of Science in Real Estate Development from Columbia University.

Bunker previously served as President of our Alumni Association, Director of the University Foundation Board and was inducted into the Charlotte Alumni Hall of Fame in 2012. He was appointed to the UNC Charlotte Board of Trustees in 2017 and has held the roles of secretary (2019-21), vice chair (2021-23) and chair (2023-current).

The UNC Charlotte Board of Trustees also includes Dontá L. Wilson '97, Vice Chair; Christine P. Katziff, Secretary; John A. Bailey '94; Geoffrey D. Gray; Wendy J. Grubbs '83; J. Brett Keeter '99; Hugh L. McColl, Jr.; Lawrence J. Shaheen, Jr.; Michael J. Smith; Sasha J. Weintraub; Teross W. Young, Jr. '93; and Isaiah J. Grayson, Student Body President.

The current University logo was adopted in August of 2021 and captures the trailblazing spirit of UNC Charlotte: a strong and powerful institution, boldly charging into the future, much like the city we call home. The centerpiece is a distinctive mark called the “All-In C” that places the classic 49ers’ gold-mining pick inside a collegiate-inspired “C” with beveled corners. It is an icon that represents the power to break new ground, the persistence to discover the unknown and the promise to build the future. The 9-degree forward tilt illustrates the brand’s positive energy and forward momentum. The new University mark, along with the 2020 athletics mark, was designed by Todd Aldridge '92, a distinguished alumnus of UNC Charlotte’s College of Arts + Architecture and president of the Alumni Association Board of Directors.

UNC CHARLOTTE BELL

The UNC Charlotte Bell, which for many years hung in the belfry of the old Elizabeth School at East Fifth Street and Travis Avenue in Charlotte, was given to Charlotte College in 1963 to be rung on ceremonial occasions.

It has been rung on special occasions including March 2, 1965, when Charlotte College became the fourth branch of the University of North Carolina System and on August 11, 2010, to celebrate clearing the final hurdle to field UNC Charlotte's football team.

COMMENCEMENT BELL RINGERS

The ringing of the UNC Charlotte Bell at Commencement is an honorable tradition that recognizes an outstanding student leader who has demonstrated exemplary 49er spirit.

The student leaders chosen to ring the bell for the Commencement ceremonies are **Kenan O. Moore** (Friday morning), **Anvi Tirunagari** (Friday afternoon), **Sasha S. Sembur** (Saturday morning) and **M. Unique Kumtap** (Saturday afternoon).

TURNING OF THE TASSEL

In earlier times, universities awarded each graduate a hood signifying their academic station. Over the years, the hood for undergraduates has been replaced by a tassel. Tradition requires that before graduation the tassel is worn on the right hand side of the cap. After graduation, as a symbol of a new degree holder, the tassel is worn on the left.

Ra'Quan A. Leary, 2023-2024 Senior Class President, will lead the undergraduate candidates in the turning of the tassel.

BONNIE E. CONE, OUR FOUNDER

(1907-2003)

Bonnie E. Cone, the founder of UNC Charlotte, served the institution from its earliest days in 1946. Beginning as a teacher that year, she became director of the Charlotte Center of the University of North Carolina in 1947. She persuaded the legislature to keep the institution alive in 1949 when it was scheduled to close, resulting in the establishment of Charlotte College, which she served as president. The College became a four-year, state-supported institution in 1963. Cone was given her greatest acclaim for leading the successful campaign to convert Charlotte College into The University of North Carolina at Charlotte in 1965. She then served as vice chancellor for student affairs until her official retirement. She is interred in Van Landingham Glen on the campus she loved and to which she dedicated her life.

EXPLANATION OF HONORS PROGRAMS, MERIT SCHOLARS AND ACADEMIC DISTINCTION

Honors: The Honors College at UNC Charlotte provides students robust experiences crossing academic, cultural, community and personal contexts, including undergraduate research, engagement with cultural variety and the creation of community within the University and across the Charlotte metropolitan area. The College supports students as they become agents of their own vision, developing intellectually, culturally and civically.

In all aspects of the Honors College experience, faculty, staff and students embody:

- Intellectual curiosity and growth
- Collaboration and mutual investment in excellence as scholar citizens
- Diversity, inclusion and equitable access
- Integrity and trustworthiness
- Treating all with dignity and respect

University Honors Program: Directly administered by the Honors College, the University Honors Program (UHP) is the oldest and largest multi-year honors program at UNC Charlotte, welcoming students from any major. As an interdisciplinary honors program, UHP encourages students to integrate learning from multiple academic disciplines with their own lived experiences, creating new knowledge that is more than just the sum of its parts. Our students put their learning into practice through electing an annual Honors Core Experience such as an internship, undergraduate research, community service or study abroad. To graduate with University Honors, a student must: complete all program requirements, including 20 hours of honors coursework; maintain a 3.0 cumulative grade point average and a 3.2 grade point average in honors courses; and receive a grade of "A" on the honors capstone thesis or project.

Department/College Honors: To graduate with honors recognition in a department or college honors program, a student will be recommended by the program's honors committee if they meet the grade point averages required (i.e., cumulative, in the department/college, and in honors courses), as well as complete the following:

- All required honors courses
- An honors capstone thesis or project, and receive an "A" for that course
- Any additional requirements specified by the program

Dual Honors: Students must complete requirements for a department or college honors program in addition to the requirements and coursework for either the University Honors Program or the Business Honors Program.

Merit Scholarships: Albert Scholars, Freeman Scholars, Johnson Scholars, Levine Scholars and Martin Scholars are recipients of major four-year merit scholarships funded by University donors. Students participate in programming that fosters intellectual, social and civic engagement and must continue to meet all scholarship conditions.

<https://levinescholars.charlotte.edu>, <https://honorscollege.charlotte.edu/about-us/merit-scholarships>

Graduation with Honors: Honors and merit scholars receive a notation on their transcript and a certificate. Honors and merit scholars' graduation regalia includes custom-designed medallions and stoles denoting the honors and merit scholar programs.

Graduation with Academic Distinction: Undergraduate degrees are awarded *Summa Cum Laude* when the graduate's cumulative grade point average is 3.9 to 4.0, *Magna Cum Laude* when the grade point average is 3.7 or above but less than 3.9 and *Cum Laude* when the grade point average is 3.4 or above but less than 3.7. To be eligible to graduate with academic distinction, a student must earn a grade point average computed on at least 48 semester hours of credit completed in residence at UNC Charlotte. Honor cord colors are green/white for *Summa Cum Laude* graduates, white for *Magna Cum Laude* graduates, and green for *Cum Laude* graduates.

All notations for honors are based upon student achievements as of the preceding term and are tentative. Final determination of graduation with honors or with distinction is made upon completion of the student's final term.

DEAN W. COLVARD, FIRST CHANCELLOR

(1913-2007)

In April 1966, Dr. Dean W. Colvard became the first chancellor of The University of North Carolina at Charlotte. During his 12-year tenure, he presided over a period of rapid campus growth and development. Under his leadership, the institution was organized into colleges; residence halls were built, graduate work was initiated and long-range planning started. His accomplishments included helping to create the University Research Park and the University's Urban Institute, whose mission is to seek solutions to the social, economic and environmental challenges facing Charlotte and its urban communities. Colvard joined the University from the presidency of Mississippi State University, and he also served as a dean at North Carolina State University. Following his retirement in December 1978, Colvard helped complete Charlotte's Discovery Place Museum and was the founding board chair of the North Carolina School of Science and Mathematics. He also wrote books about his experience at NC State, Mississippi State and UNC Charlotte. In 2001, Colvard received the UNC Charlotte Alumni Association's Alumnus by Choice Award, and in 2004, he received the Echo Foundation's Award Against Indifference.

HONORARY DEGREE

DOCTOR OF PUBLIC SERVICE

LYNN J. GOOD

Lynn J. Good is chair, president and chief executive officer of Duke Energy, one of America's largest energy holding companies. Under Good's leadership, Duke Energy has generously contributed to UNC Charlotte and the Charlotte community.

Duke Energy Foundation's support of the University includes the Women in Computing Initiative and the Duke Energy STARS (Students and Technology in Academia, Research and Service) Leadership Corps Scholarship. These initiatives support computing majors participating in a multiyear program exposing them to the broad applicability of computing through civic engagement and service learning.

Duke Energy Foundation's grants have also bolstered programs, such as the Women + Girls Research Alliance (W+GRA) and the EPIC Affiliates Program. The W+GRA is committed to improving the lives of women and girls in the Greater Charlotte metropolitan area by facilitating partnerships among researchers, community leaders, and civic investors that produce transformative outcomes. The EPIC Affiliates Program prioritizes energy workforce development. By bringing together industry, students, faculty and research experts in disciplines of electrical and computer, civil and environmental, mechanical and systems engineering, EPIC aims to drive new advancements in the energy fields as it educates the next generation of engineering professionals. Duke Energy's support has also reached earlier in the energy workforce pipeline by funding the Charlotte Engineering Early College.

Good's personal generosity has greatly impacted the UNC Charlotte community as well. Good previously served as chair for the annual Let Me Play fundraising luncheon, designed to mobilize influential women in the Charlotte area in support of women's athletics. This initiative demonstrates the importance athletic participation plays in the development of young women.

Good's leadership extends beyond her work at Duke Energy and her support of UNC Charlotte. She currently serves on the boards of directors for Foundation For The Carolinas, myFutureNC, the Business Roundtable, the Edison Electric Institute, the Institute of Nuclear Power Operations, the World Association of Nuclear Operators and Boeing. She also serves on the Department of Homeland Security Advisory Council, the Charlotte Executive Leadership Council and Bechtler Museum of Modern Art Advisory Council.

For Good's countless efforts on behalf of UNC Charlotte and the citizens of Charlotte, the region, the state and the world, the University of North Carolina at Charlotte awards the honorary degree, Doctor of Public Service, to Lynn J. Good.

GREETINGS FROM THE GRADUATING CLASS

SARAH N. HERRERA BACHELOR OF SOCIAL WORK

Born in Tellico Plains, a small town in Tennessee with a population of 770 people as of 2022. While I love my hometown, it doesn't offer many opportunities. I'm an only child whose parents suffered from mental health issues and addictions. The only life I knew was being my mom's caretaker due to her mental health. When I was 16, she passed, and even though the world as I knew it was shattered, I realized that I could have a different future.

Good morning, everyone. My name is Sarah Herrera, and I'm a first-generation student graduating with my bachelor's degree in social work with a pathway for licensure to work in schools.

Today is the cumulation of choices. We are often one decision away from a different life. We make simple ones everyday like what to eat and what to wear, but some decisions like going back to college, moving away from home or having children can have a significant impact on our lives.

We don't choose where we're born, who our parents are or whether we have a disability. Making decisions can be overwhelming, especially when dealing with situations beyond our control. When I began college in 2011, I switched schools, found I had testing anxiety in nursing school, and had to withdraw. In 2021, one month after getting married and moving to Charlotte, North Carolina, I graduated with an associate degree in social work after encouragement from my supportive and wonderful husband. I have had classes year-round at UNC Charlotte since starting in 2022 to be able to graduate today. Had I made different choices, I would not be here or living this life.

I stayed enrolled at UNC Charlotte because of the amazing support and lessons I received from the School of Social Work professors that extended well beyond the classroom. They invested time in getting to know us and regularly checked on us. Caring professors and staff who are attentive to not just education, but students' well-being is essential for our success. College is difficult - from the late nights of doing homework and studying to getting into the classes we need and all the seemingly endless projects. But that hard work has paid off today.

I want to remind you that you are not your circumstances, and you are not the decisions of others. You must be willing to take chances and do the hard things. You are in charge of yourself and the decisions you make. Let yourself be open to new experiences and challenges. Step out of your comfort zone. Even if things don't go the way you planned or hoped, it's those moments that create opportunities where you can learn and grow. So whatever choices you face in life, go with what scares you, with what excites you. Trust your gut with each decision. Class of Spring 2024 - we did it, we are here because our decisions have led us to this very moment. Congratulations and God bless everyone on your paths. Go Niners!

**E.K. FRETWELL, U.S. HIGHER EDUCATION LEADER
 (1923-2012)**

Dr. E.K. Fretwell used his national higher education leadership to gain recognition for UNC Charlotte. He became the University's second chancellor in January 1979 after serving as president of State University of New York College at Buffalo, and before that as assistant commissioner for higher education of the New York State Education Department. During his career, he led some of America's most prominent higher education associations - president of the American Association for Higher Education, president of the American Association of State Colleges and Universities, chair of the American Council on Education and chair of the Council on Postsecondary Accreditation. In addition, Fretwell was named one of the 100 most effective chancellors and university presidents in the United States in a national study. After retiring in 1989, he served as interim president of the five-campus University of Massachusetts, authored several books on university management and consulted on higher education around the country and the world. He was awarded an Honorary Doctor of Public Service degree during UNC Charlotte's spring 1998 Commencement ceremonies. In 2002, he received the UNC Charlotte Alumni Association's Alumnus by Choice Award.

GREETINGS FROM THE GRADUATING CLASS

AMELIA R. TODD

BACHELOR OF ARTS, ARCHITECTURE

Good afternoon, esteemed faculty, staff, graduates and friends:

My name is Mia Todd, and it is a great honor to be here today to celebrate UNC Charlotte's Graduating Class of 2024. It is really special to be in the company of such a diverse group of artists, designers, scholars, athletes and young professionals. I know each one of you takes pride in yourself and the achievements this commencement signifies.

Sitting together today are hundreds of creative individuals, each with a unique set of talents, stories and interests. Perhaps what best unites us all, across disciplines, is our desire to create beauty in the world.

Often, the creation of such beautiful things cannot be done alone. Speaking from my own discipline, I've heard it said that architecture is a team sport. While this rings true in terms of group projects and assignments, the true meaning of "architecture as a team sport" reveals itself when you run out of glue at 1:00 a.m. and a classmate tosses you a bottle.

I remember a particular day in third year when, after spending the whole day working in the studio, I felt exhausted and discouraged. Just when I was about to throw in the towel, my deskmate, Grace, walked into the studio with a bag of hot fries and some much-needed encouragement. Looking back, this gesture reminds me that the bonds we have forged with our classmates are just as important as the skills we've acquired. Our success is collective, and we owe it to one another to continue to show up in time of need.

Our time in college has instilled in us a set of values and principles that will guide our actions in the years ahead. As we move forward into our careers, we must not lose sight of our values. Whether it's advocating for sustainability, promoting inclusivity or championing social justice through our work, our choices as professionals have the power to shape the world around us. Let us remember the responsibility we carry and strive to leave a positive impact wherever our paths may lead.

If you're anything like me, graduating is both exciting and daunting. The good news is that the community you've built here at Charlotte has your back. Your time, experiences and friendships here have prepared you for what lies ahead.

Class of 2024, embrace the butterflies in your stomach, trust your instincts, stay curious and keep creating. Move forward with confidence, recognizing the potential within you to pursue your dreams. You began college in the midst of a pandemic. You formed friendships within your programs. You passed that class you thought you wouldn't. You advocated for yourselves. And if I were to bet, I'd say you're stronger and more resilient than you know. I can't wait to see the amazing things you do.

JAMES H. WOODWARD, BUILDING FOR THE FUTURE

Dr. James H. Woodward became UNC Charlotte's third chancellor in 1989, immediately establishing himself as one of the leading executives of the Charlotte metropolitan region. A U.S. Air Force veteran, he worked in private industry and taught at North Carolina State University, the U.S. Air Force Academy and the University of Alabama at Birmingham, where he was a senior vice president for academic affairs, prior to coming to UNC Charlotte. Under his leadership, UNC Charlotte launched ambitious plans for both physical and intellectual growth. Woodward built strong support among the region's corporate and political leaders, obtained approval to expand the University's mission to include doctoral programs and raised the University to doctoral/research intensive status. He established UNC Charlotte Uptown to serve students in the central business district. An engineer, Woodward generated support to build the James H. Barnhardt Student Activity Center and the Irwin Belk Track and Field Center, obtained state funding for doubling the size of the J. Murrey Atkins Library and was instrumental in garnering public support to pass a \$3.1 billion statewide bond referendum that enabled UNC Charlotte to construct or renovate nearly a dozen buildings. He retired in 2005. Woodward has

received numerous honors, including the naming of the science and technology building in 2005 as James H. and Martha H. Woodward Hall in recognition of his 16 years of service. In May 2011, UNC Charlotte awarded him an honorary degree, Doctor of Public Service. Woodward received the UNC Charlotte Alumni Association's Alumnus by Choice Award in 2012. In November 2017, he was awarded the North Carolina Award for Public Service, the highest award a civilian can receive from the Governor.

PHILIP L. DUBOIS ENROLLMENT GROWTH AND ACADEMIC EXPANSION

At the time of his retirement on June 30, 2020, Dr. Philip L. Dubois, UNC Charlotte's fourth chancellor, was the senior chancellor in the University of North Carolina system. He led the system's fastest-growing institution, directing a 43% growth in enrollment, an expansion of academic programs, implementation of diversity-related initiatives, growth in research funding and significant construction and renovation of campus facilities. Under Dubois' strategic direction, football was added to the University's athletics offerings in 2013, and he collaborated with elected officials and the Charlotte Area Transit System to make possible the construction of the light rail line from Center City Charlotte to the UNC Charlotte campus. He also took the University to new levels in fundraising, overseeing the largest private campaign in UNC Charlotte's history, which exceeded its \$200 million goal. Dubois' career in higher education spanned more than 40 years. Previously, he served as president of the University of Wyoming, provost and vice chancellor for academic affairs at UNC Charlotte and associate vice chancellor for academic programs at the University of California, Davis. Dubois has been recognized regionally and nationally as an expert in higher education, achieving many awards and accolades during his respected career. In 2020, Dubois was recognized by the American Council on Education with its Outstanding Mentor Award, by the UNC Charlotte Alumni Association with its Honorary Alumnus Award, and by North Carolina Governor Roy Cooper with The Order of the Long Leaf Pine, the state's highest civilian award.

UNC BOARD OF GOVERNORS AWARD FOR EXCELLENCE IN TEACHING

M. LYN EXUM

DEPARTMENT OF CRIMINAL JUSTICE AND CRIMINOLOGY

The Board of Governors Award for Excellence in Teaching was established in 1994 to underscore the importance of teaching and to encourage, identify, recognize, reward and support good teaching within the university. This award is given annually to a tenured faculty member from each campus within the UNC System. Winners must have taught at their present institutions for at least seven years. The 17 recipients were nominated by individual campus committees and selected by the Board of Governors Committee on Personnel and Tenure. Each award winner will receive a commemorative bronze medallion and a \$12,500 cash prize.

UNC Charlotte's recipient of the Board of Governors Award for Excellence in Teaching is Dr. Lyn Exum, Associate Professor from the Department of Criminal Justice and Criminology.

"Over the course of his teaching career, Dr. Exum has exemplified genuine dedication to working with undergraduate and graduate students," said department chair Michael Turner. "This dedication has resulted in innovative strategies employed within the classroom, impactful curricular changes and positive teaching evaluations. Dr. Exum is truly dedicated to his commitment to challenging and educating students. He is a well-rounded faculty member who has a particularly strong synergistic relationship between his teaching and research activities."

Exum's teaching philosophy, which stems from past educators in his life, includes enforcing student accountability while being attentive and meeting them where they are at that moment. He strives to be approachable, enthusiastic and an available resource and mentor.

"I believe that by showing my students that I find the course material to be exciting and interesting, they will become more engaged and invested in learning it," said Exum. "I continuously search for ways to make complex ideas easier to understand. By making the big picture easier to grasp, students become more willing to dive into the smaller, more subtle nuances — allowing me to teach simply, while students learn deeply."

Current and former students have noticed Exum's genuine care and concern for their well-being, as well as their goals to exceed in school and in the professional world.

"Professor Exum has a deep understanding of pedagogical techniques, a profound respect for each and every student in class and a unique way of creating incentives for students to learn critical thinking," said student Jorge De Santa Ritta. "He is a role model for every student who dreams of being a college professor."

In addition to teaching, Exum serves as the associate chair of the Department and the chair of UNC Charlotte's Institutional Review Board.

In 2023, Exum was awarded UNC Charlotte's top teaching award, the Bank of America Award for Teaching Excellence.

GREETINGS FROM THE GRADUATING CLASS

ELLA G. KELLNER

BACHELOR OF SCIENCE, BIOLOGY

Congratulations!

Today is your day.

You're off to Great Places!

You're off and away!

My name is Ella Kellner and I am a biology major graduating alongside you today.

First, I wanted to start by congratulating the graduating class of 2024. As I look out, I know that each and every one of us has had a college career full of lessons learned, strong friendships and memories that last a lifetime. I am sure many of you have heard of Dr. Seuss's book, "Oh, The Places You'll Go". I know I first heard the poem in my first grade class. And, every year since, I have thought of those words again as I transition into the next phase of my life.

Afterall, as Dr. Seuss rhymes:

You have brains in your head. You have feet in your shoes.

You can steer yourself any direction you choose. You're on your own.

And you know what you know. And YOU are the [one] who'll decide where to go.

We have been steering our own direction since we arrived at Charlotte, through choosing classes (and realizing that I wasn't a fan of 8 AMs), deciding whether I wanted to wait two hours for Chick-Fil-A at lunchtime and even the people I have met along the way that I now can not live without. We have shaped ourselves into the people we are today. We have grown, maybe by moving into our first apartment or maybe by deciding that we needed to change majors after all. We learned how to feed both ourselves (by learning to cook) and our souls, deciding what matters in our lives and putting in the hard work to get there.

Hardship is inevitable, but you define yourself by your ability to pull yourself up by your bootstraps and continue on, by asking for help, and learning from your mistakes. Keep in mind that others have gone through similar things.

As Dr. Seuss tells you:

You'll get mixed up, of course, as you already know.

You'll get mixed up with many strange birds as you go.

So be sure when you step.

Step with care and great tact and remember that Life's a Great Balancing Act.

If I can be the first person to say this to all of you, I am proud of us and everything we have accomplished in our time here at Charlotte and want to send you off into the world with my best wishes and in the words of Dr. Seuss:

So...Be your name Buxbaum or Bixby or Bray Or Mordecai Ali Van Allen O'Shea, you're off to Great Places!

Today is your day! Your mountain is waiting.

*So...**get on your way!***

HISTORY OF THE UNIVERSITY

UNC Charlotte was one of a generation of institutions founded in metropolitan areas following World War II. Created as the Charlotte Center, the institution opened on September 23, 1946. It offered evening classes to an initial class of 278 freshmen and sophomores in the facilities of Charlotte's Central High School. In 1949, the city's pioneering business and civic leaders, aware of the region's unmet need for a public institution of higher education, moved to have the Charlotte Center taken over by the city school district and operated as Charlotte College, offering the first two years of college courses.

By 1961, Charlotte College was experiencing rapid growth that resulted in the establishment of a campus of its own. In the same year, Charlotte College leaders moved its student population into the first two buildings, Kennedy and Macy, on what would become a 1,000-acre campus ten miles from downtown Charlotte. In 1963, the North Carolina legislature approved bills making Charlotte College a four-year, state-supported institution. In 1965, the legislature passed bills designating the College the University of North Carolina at Charlotte, the fourth campus of the consolidated state system. Expansion continued as the University began offering master's degrees in 1969. In 1992, UNC Charlotte received authorization for its first doctoral programs. UNC Charlotte is the state's urban research institution and the system's third largest public university with greater than 30,000 students enrolled.

THE UNIVERSITY NICKNAME - 49ERS

The "49ers" nickname was chosen in recognition of the importance of the year 1949 in the history of the University. UNC Charlotte, which began as an off-campus center of the University of North Carolina, would have died in 1949 had Bonnie Cone and her supporters not convinced the N.C. Legislature that Charlotte needed a permanent institution of higher learning. Charlotte College was established that year. It is fortuitous that the University campus is located on N.C. Highway 49 and that Charlotte has a rich gold mining history. A bronze statue of the 49er Gold Miner sits in the Cato College of Education and College of Health and Human Services Plaza. The statue recalls the region's history as a gold mining center and symbolizes the pioneering spirit and determination that has led to UNC Charlotte's dramatic growth.

GREETINGS FROM THE GRADUATING CLASS

ABHISHEK SHIBU

DOCTOR OF PHILOSOPHY, NANOSCALE SCIENCE

We graduate students have often been asked: Why bother? Why bother with getting a graduate degree? Why bother pursuing this prolonged and seemingly unending task of learning? Why bother specializing in a niche subject that few can pronounce? Is this just a fancy deferment from getting a “real” job? I submit to you three reasons why pursuing a graduate degree is a uniquely worthwhile experience even though most days we have felt like Sisyphus rolling a giant rock up a hill.

1) We learn for the sake of challenging our imagination:

From the very beginning of our graduate program, we are encouraged to communicate our ideas. The audiences range from experts we meet in academic conferences, to non-experts we meet in events like in the 3 Minute Thesis competition or the Graduate Research Symposium. The breadth of diversity in our audiences has pushed us to develop a deeper sense of empathy. It has compelled us to stretch our imagination and re-evaluate the relevance of our work in a perpetually evolving culture.

2) We learn for the sake of truth:

During my doctoral candidacy exam, one of the committee members made a thoughtful observation, “Abhishek, you rush to conclusions.” At the time it was hard to receive this message. After writing a densely-packed 13-page long proposal, 15 pages of written exam, 30-minute-long power-point presentation, and finally a 2-hour long Question-Answer session, he had the audacity to tell me that I am rushing to conclusions? Over the next few weeks, as I sat in the discomfort of that comment, I realized he was right. My arguments were missing premises which made my conclusions premature. That comment has had a tremendous impact on my thinking. As graduate students we have incubated a new standard for how much evidence one needs before we claim that we “KNOW” something. In a world that bolts to define its truth, we have developed an insatiable appetite for carefully working out a nuanced and robust epistemology, one that does justice to the complex problems our world faces.

3) We learn for the sake of being:

Having gone through the crucible of graduate school, we find ourselves changed. Our passions have been honed; our horizons broadened by this arduous and yet glorious journey. To our faculty, your voices will always be in our memory. To our comrades, it was an honor to rub shoulders with such inspired minds. We now see beyond and more clearly than what we ever saw earlier. We have witnessed that which was hidden from the unobservant eye. And having witnessed it, we are no longer the same.

To borrow an excerpt from one of my favorite poems, “It is not just our inheritance to abide in this beautiful world. It is our inheritance to understand it.”

Why bother getting a graduate degree? Because, here, amidst the labyrinth of knowledge, we’ve encountered the echoes of our own existence, the questions that define who we are.

Thank you and congratulations to all the graduates!

The University wishes to thank the UNC Charlotte faculty, staff, students, alumni and volunteers for their assistance with the Commencement activities.

CHANCELLOR SHARON L. GABER

Sharon L. Gaber, Ph.D., an academic with a background in city and regional planning, became the fifth chancellor of the University of North Carolina at Charlotte in July 2020. Since Gaber joined Charlotte, the University has embarked on “Shaping What’s Next,” a bold 10-year strategic plan that articulates a new vision as a globally recognized top-tier research university. During that time, the university has also seen a dramatic rise in its national profile, achieving a coveted position among the nation’s top 100 public universities, according to U.S. News & World Report’s Best Colleges 2024 rankings.

Deeply engaged in community and regional activities, she serves on the board of Charlotte Center City Partners and is a member of the Charlotte Executive Leadership Council, Women Executives, the International Women’s Forum – Carolinas and Charlotte’s Leading on Opportunity Council. She was also tapped to serve on the board of the UNC System’s Project Kitty Hawk.

At the national level, Gaber has served on multiple NCAA committees and is the first UNC System chancellor to serve as a member of Excelencia in Education’s Presidents for Latino Student Success. She also serves on the Executive Committee of the American Athletic Conference.

Gaber was recently named by The Charlotte Business Journal as one of the top 10 leaders who will drive Charlotte’s next stage of growth. She also has been named to Business North Carolina’s Power List for four consecutive years and was designated by Education Dive as “one of five higher education leaders to watch in 2018 and beyond.”

A native of Southern California, Gaber earned an A.B. in Economics and Urban Studies from Occidental College, an M.P.L. in Urban Planning from the University of Southern California and a Ph.D. in City and Regional Planning from Cornell University. She has written numerous articles and co-authored a book on planning research methods.

Prior to UNC Charlotte, Gaber served for five years as president of the University of Toledo. Previously, she served as provost and vice chancellor for academic affairs at the University of Arkansas, as an interim provost at Auburn University, and a faculty member and administrator at the University of Nebraska-Lincoln.

Officially the first woman to serve as chancellor of UNC Charlotte, Gaber follows the trail blazed by founding educator Bonnie Cone, who led the institution from 1946-66.

Dr. Gaber is the proud mother of three children: Allison, Peter, and Jennifer (dec.).

WELCOME TO THE ALUMNI ASSOCIATION

Congratulations, Class of 2024! We are incredibly proud of you for earning your degree from UNC Charlotte and we applaud you for reaching this incredible milestone. We are also excited to welcome you to the UNC Charlotte Alumni Association, which includes more than 174,000 fellow alumni.

The mission of the Office of Alumni Engagement is to inspire current and future Charlotte alumni to engage in lifelong relationships with Niner Nation, because your 49er experience doesn't end when you graduate. Once a Niner, always a Niner!

Connect with Fellow Niners

As a new graduate, you will receive invitations to participate in activities and events hosted specifically for GOLD Alumni (Graduates of the Last Decade), including trivia nights, happy hours, and alumni panels that will help you grow as a professional. We offer a variety of events and resources to help you stay involved with Niner Nation:

- Networking events
- A lifetime of career resources
- Interest and identity-based affinity networks
- Homecoming: Niner Nation Week
- 49er Tailgate Village at the Hauser Alumni Pavilion
- Alumni Award programs (including the 10 Under Ten Awards for GOLD Alumni)
- Opportunities to give back as a Niner volunteer
- And more!

Stay Informed

- Follow us on Facebook, Instagram and X by searching for @49erAlumni.
- Join the UNC Charlotte Alumni group on LinkedIn.
- Visit 49erAlumni.charlotte.edu to see upcoming events and find ways to get involved.
- Visit go.charlotte.edu/update to update your information!

Get your UNC Charlotte license plate

Take your Niner spirit wherever you go while also supporting your University!

For every UNC Charlotte specialty license plate purchased in the state of North Carolina, a portion of the annual fee is used to support critical student scholarships.
