GREETINGS FROM THE CHANCELLOR

Dear Graduates,

Congratulations on your graduation! While today marks the culmination of your hard work and perseverance, it's also a day of celebration for your family, friends, and the faculty and staff who have supported you every step of the way.

UNC Charlotte was founded in 1946 as a center offering evening classes to serve veterans returning from World War II. In the decades since, we've grown into North Carolina's urban research university, now serving more than 31,000 students. From the beginning, our mission has been rooted in expanding access to higher education—and our continued success is thanks to the extraordinary students, exceptional faculty and staff, dedicated alumni, generous supporters and strong leaders who have propelled us forward.

Great things are happening at Charlotte. Since 2020, we've climbed 76 spots in the *U.S. News & World Report* rankings and currently hold the No. 81 spot among public universities for 2025—making us one of the 10 fastest-rising universities in the nation. Additionally, UNC Charlotte is the only public university in North Carolina to be included in *U.S. News & World Report's* "Most Innovative Schools" category, where we're ranked No. 45 in the nation. These recognitions reflect our shared commitment to helping students of all backgrounds succeed.

We're also proud to announce that UNC Charlotte has officially earned an R1 research designation—a distinction reserved for top-tier research universities. This achievement, driven by the incredible work of our faculty and graduate students, not only enhances the value of your degree but also expands our impact across the region and the state.

What's happening at Charlotte—collectively and simultaneously—is truly unique. You should be proud of the degree you've earned. It represents not only academic achievement but also personal growth. During your time here, you've developed intellectually, emotionally and socially through engaging in classroom discussions, participating in campus activities, completing internships, interacting with individuals from other cultures and connecting with the greater Charlotte community.

On behalf of the UNC Charlotte Board of Trustees, faculty, staff, alumni, and friends, I offer my heartfelt congratulations. We are proud of all you have accomplished and grateful to have been a part of your journey.

As you step into this next chapter, you also step into a lifelong relationship with UNC Charlotte as a proud member of our Alumni Association—now more than 180,000 strong around the globe. Stay connected, get involved, and let your Niner pride continue to grow.

May the friendships and memories you've made here stay with you always. And wherever your journey takes you, never forget—you are a 49er!

Sincerely,

Sharon L. Gaber
Chancellor

UNC CHARLOTTE BOARD OF TRUSTEES

Dennis N. Bunker III '81, a native of Salisbury, North Carolina, began his commercial real estate career in 1981 after graduating from UNC Charlotte with a Bachelor of Arts in Economics. His early work in the industry consisted of self-investing in real estate, general brokerage and construction. Since 1991, his company, Bunker Land Group, has actively engaged in the development and investment of commercial real estate and provided site selection services for development and investment partners and clients. Property types include multi-family, single-family, retail, mini-storage, hotel, industrial and mixed-use.

Bunker is an advocate for higher education and continuing education in the real estate industry. He has attained the prestigious professional designations of Certified Commercial Investment Member (CCIM) and Member of the Appraisal Institute (MAI), along with a Master of Science in Real Estate Development from Columbia University.

Bunker previously served as President of our Alumni Association, Director of the University Foundation Board and was inducted into the Charlotte Alumni Hall of Fame in 2012. He was appointed to the UNC Charlotte Board of Trustees in 2017 and has held the roles of secretary (2019-21), vice chair (2021-23) and chair (2023-current).

The UNC Charlotte Board of Trustees also includes Dontá L. Wilson '97, Vice Chair; Sasha J. Weintraub, Secretary; John A. Bailey '94; Geoffrey D. Gray; Wendy J. Grubbs '83; J. Brett Keeter '99; Hugh L. McColl, Jr.; Thomas M. Scrivener; Lawrence J. Shaheen, Jr.; Michael J. Smith; ; Teross W. Young, Jr. '93; and Isaiah J. Grayson '24, Student Body President.

The current University logo was adopted in August of 2021 and captures the trailblazing spirit of UNC Charlotte: a strong and powerful institution, boldly charging into the future, much like the city we call home. The centerpiece is a distinctive mark called the “All-In C” that places the classic 49ers’ gold-mining pick inside a collegiate-inspired “C” with beveled corners. It is an icon that represents the power to break new ground, the persistence to discover the unknown and the promise to build the future. The 9-degree forward tilt illustrates the brand’s positive energy and forward momentum. The new University mark, along with the 2020 athletics mark, was designed by Todd Aldridge '92, a distinguished alumnus of UNC Charlotte’s College of Arts + Architecture and President of the Alumni Association Board of Directors.

UNC CHARLOTTE BELL

The UNC Charlotte Bell, which for many years hung in the belfry of the old Elizabeth School at East Fifth Street and Travis Avenue in Charlotte, was given to Charlotte College in 1963 to be rung on ceremonial occasions.

The ringing of the "Old Bell" is reserved for significant events and special accomplishments like when Charlotte College became UNC Charlotte and officially joined the UNC System; when we were granted doctoral status; when we received final approval of the football program; and most recently when we achieved top-tier research status.

COMMENCEMENT BELL RINGERS

The ringing of the UNC Charlotte Bell at Commencement is an honorable tradition that recognizes an outstanding student leader who has demonstrated exemplary 49er spirit.

The student leaders chosen to ring the bell for the Commencement ceremonies are **Wanseok Oh** (Thursday afternoon), **Sonia Birla** (Friday morning), **Tye'Quez J. Wilkins** (Friday afternoon), **Uriah T. West** (Saturday morning), **Justyn R. Ramseur** (Saturday afternoon).

TURNING OF THE TASSEL

In earlier times, universities awarded each graduate a hood signifying their academic station. Over the years, the hood for undergraduates has been replaced by a tassel. Tradition requires that before graduation the tassel is worn on the right hand side of the cap. After graduation, as a symbol of a new degree holder, the tassel is worn on the left.

Grace M. Cooper 2024-2025 Senior Class President, will lead the undergraduate candidates in the turning of the tassel.

BONNIE E. CONE, OUR FOUNDER

(1907-2003)

Bonnie E. Cone, the founder of UNC Charlotte, served the institution from its earliest days in 1946. Beginning as a teacher that year, she became director of the Charlotte Center of the University of North Carolina in 1947. She persuaded the legislature to keep the institution alive in 1949 when it was scheduled to close, resulting in the establishment of Charlotte College, which she served as president. The College became a four-year, state-supported institution in 1963. Cone was given her greatest acclaim for leading the successful campaign to convert Charlotte College into The University of North Carolina at Charlotte in 1965. She then served as vice chancellor for student affairs until her official retirement. She is interred in Van Landingham Glen on the campus she loved and to which she dedicated her life.

EXPLANATION OF HONORS PROGRAMS, MERIT SCHOLARS AND ACADEMIC DISTINCTION

Honors: The Honors College provides students access to robust curricular and co-curricular experiences designed to foster curiosity, community and connections with the city of Charlotte. The Honors College offers students the opportunity to take interdisciplinary seminars with excellent faculty and connect with sustained partnerships outside the classroom in undergraduate research, study abroad, community engagement, internships and more.

In all aspects of the Honors College experience, faculty, staff and students embody:

- Intellectual curiosity and growth
- Collaboration and mutual investment in excellence as scholar community
- Integrity and trustworthiness
- Treating all with dignity and respect

University Honors Program: Directly administered by the Honors College, the University Honors Program (UHP) is the oldest and largest multi-year honors program at UNC Charlotte, welcoming students from any major and comprising more than half of all honors students on campus. An interdisciplinary program, UHP encourages students to integrate learning from multiple academic disciplines with their own lived experiences, creating new knowledge that is more than just the sum of its parts. Our students put their learning into practice through electing an annual Honors Core Experience such as an internship, undergraduate research, community service or study abroad. To graduate with University Honors, a student must: complete all program requirements, including 20 hours of honors coursework; maintain at minimum a 3.0 cumulative grade point average and a 3.2 grade point average in honors courses; and receive a grade of "A" on the honors capstone thesis or project.

Department/College Honors: To graduate with honors recognition in a department or college honors program, a student will be recommended by the program's honors committee if they meet the grade point averages required (i.e., cumulative, in the department/college and in honors courses), as well as complete the following:

- All required honors courses
- An honors capstone thesis or project, and receive an "A"
- Any additional requirements specified by the program

Dual Honors: Students must complete requirements for a department or college honors program in addition to the requirements and coursework for either the University Honors Program or the Business Honors Program.

Merit Scholarships: Albert Scholars, Freeman Scholars, Johnson Scholars, Levine Scholars and Martin Scholars are recipients of major four-year merit scholarships funded by University donors. Students participate in programming that fosters intellectual, social and civic engagement and must continue to meet all scholarship conditions.

<https://levinescholars.charlotte.edu>, <https://honorscollege.charlotte.edu/about-us/merit-scholarships>

Graduation with Honors: Honors and merit scholars receive a notation on their transcript and a certificate. Honors and merit scholars' graduation regalia includes custom-designed medallions and stoles denoting the honors and merit scholar programs.

Graduation with Academic Distinction: Undergraduate degrees are awarded *Summa Cum Laude* when the graduate's cumulative grade point average is 3.9 to 4.0, *Magna Cum Laude* when the grade point average is 3.7 or above but less than 3.9 and *Cum Laude* when the grade point average is 3.4 or above but less than 3.7. To be eligible to graduate with academic distinction, a student must earn a grade point average computed on at least 48 semester hours of credit completed in residence at UNC Charlotte. Honor cord colors are green/white for *Summa Cum Laude* graduates, white for *Magna Cum Laude* graduates and green for *Cum Laude* graduates.

All notations for honors are based upon student achievements as of the preceding term and are tentative. Final determination of graduation with honors or with academic distinction is made upon completion of the student's final term.

DEAN W. COLVARD, FIRST CHANCELLOR (1913-2007)

In April 1966, Dr. Dean W. Colvard became the first chancellor of The University of North Carolina at Charlotte. During his 12-year tenure, he presided over a period of rapid campus growth and development. Under his leadership, the institution was organized into colleges; residence halls were built, graduate work was initiated and long-range planning started. His accomplishments included helping to create the University Research Park and the University's Urban Institute, whose mission is to seek solutions to the social, economic and environmental challenges facing Charlotte and its urban communities. Colvard joined the University from the presidency of Mississippi State University, and he also served as a dean at North Carolina State University. Following his retirement in December 1978, Colvard helped complete Charlotte's Discovery Place Museum and was the founding board chair of the North Carolina School of Science and Mathematics. He also wrote books about his experience at NC State, Mississippi State and UNC Charlotte. In 2001, Colvard received the UNC Charlotte Alumni Association's Alumnus by Choice Award, and in 2004, he received the Echo Foundation's Award Against Indifference.

GREETINGS FROM THE GRADUATING CLASS

AMY C. HORNER

DOCTOR OF BUSINESS ADMINISTRATION

Good afternoon, everyone!

It is a thrill to be with you at this milestone moment! What an amazing day, what a wonderful celebration and what an incredible amount of talent we have in this arena.

To all of this year's graduates, today, we stand on the threshold of a new chapter. It is an honor to share this ceremony with you all as we are recognized for the culmination of our hard work and perseverance, having journeyed through a path filled with challenges, discovery and personal growth. I know that all of you, like me, look back on the person who started this journey several years ago with gratitude and pride in all that has been accomplished since that first day as a doctoral student at UNC Charlotte. None of us could have fully anticipated where this path would take us.

When I began this journey, I thought I knew what to expect. After all, I have decades of experience in my rearview mirror. From the Big 4 to the sales floor, from the C-suite to keynote stages, I believed that if it had happened, I had lived it. And then, I stepped into the World of Academia, a place where research doesn't simply validate what we think we know but also challenges us to see things in entirely different ways. Many of you will relate when I say that my early days here felt like stepping into Alice's Wonderland: familiar concepts were suddenly unrecognizable, logic twisted into unexpected forms, new characters loomed large, and I often felt just a little out of place. Sometimes, too big. Sometimes, too small. And like Alice, I asked questions, adapted, made new friends and ultimately found my way, gaining insights that transformed not just my academic perspective but my entire approach to leadership and strategic thinking by encouraging me to research my assumptions and dig deeper into best practices and opinions.

Of course, this transformation wasn't a solitary endeavor. We all share immense gratitude for the faculty, staff and administrators who guided us through this process. Their dedication, acumen and commitment to our success made this journey an enjoyable and enriching one. And, of course, to our families, friends and support networks: THANK YOU for standing by us through the long nights, the endless revisions and the moments of self-doubt. Your belief in us fueled our progress, and today, we share this achievement with you.

Recently, I was asked: "What has meant the most in this experience?" The answer came easily. Without a doubt, it is the relationships built with my cohort. We came in from different backgrounds, industries and life experiences. In our program, we learned, grew and challenged one another. Our time together sharpened our thinking, our support lifted each other through obstacles and our shared experience bonded us in a way that will last long beyond graduation day.

For all of the Doctoral scholars present here today, before entering our respective programs, we were consumers of knowledge. Now, with the skills we have gained, we are all creators of knowledge. The responsibility and privilege of that transition is one to be treated with a high degree of respect and integrity. Our research, insights and perspectives will shape industries, inform policies and drive meaningful changes in our respective fields. And the best part? We don't do this alone. Look around! This arena is filled with brilliant minds, each bringing their own unique contributions to the world. I look forward to seeing what each and every one of you will accomplish in the years ahead.

We begin that journey today, as this is not an end but a beginning. So much lays ahead of us as we begin this new chapter. My hope is that we can savor every moment as we make our mark on the world.

This is a proud and wonderful day for all of us—for every graduate, for every person in our support systems and for this university that has fostered our growth. Today, we are all Niners. Let's take a moment to celebrate our achievements, honor those who supported us on our journey and step forward with excitement for what is to come.

CONGRATULATIONS to the Class of 2025!

The Commencement program is printed prior to administering final examinations. Therefore, the inclusion of names of degree candidates in the program is not certification that degree requirements have been satisfactorily completed.

HONORARY DEGREE

ANNA SPANGLER NELSON

DOCTOR OF PUBLIC SERVICE

Anna Spangler Nelson exemplifies the spirit of an honorary Niner for her leadership in higher education, her passion for early childhood literacy and her remarkable generosity to UNC Charlotte and institutions across the UNC System.

Nelson served on the University of North Carolina System's Board of Governors from 2014 through 2023. She served with distinction as Chair of the Educational Planning, Policies and Programs Committee, guiding the Board on matters including new degree programs and a passion for excellence for improving teacher preparation programs. Nelson has always put student success, including increasing graduation rates, as one of her top priorities. But nothing is more important to Anna than the University's role as the "teacher of teachers."

Nelson continues to shape the future of education through her service on the Board of Visitors at UNC Charlotte and the Board of Dean's Advisors at Harvard Business School. She has served on various boards including Read Charlotte, myFutureNC, Project Lift, Knight Foundation, Novant Health, Fidelity Charitable, the Arts & Science Council, the UNC Charlotte Research Institute Advisory Board and the UNC Charlotte Foundation Board.

In 2021, Nelson and the C.D. Spangler Foundation made a transformative gift to establish four literacy professorships across the University of North Carolina System, including Appalachian State University, East Carolina University, N.C. A&T State University and the University of North Carolina at Charlotte. These professorships were created to ensure that North Carolina's children achieve reading proficiency by attracting nationally recognized scholars to prepare and support both current and future educators in literacy instruction.

At UNC Charlotte, Nelson's vision was uniquely instrumental in shaping and funding the Spangler Distinguished Professor of Early Child Literacy. Her goal was to foster scalable, evidence-based programs within the Cato College of Education to ensure the preparation of teacher candidates in best practices for reading instruction, to expand continuing support for teachers of reading and to prepare future faculty to assume positions in early literacy in colleges of education. Nelson understands and champions UNC Charlotte's capacity to produce exceptional teachers who are ready to shape literacy outcomes for students across the Charlotte region.

In her leadership role with the C.D. Spangler Foundation, Nelson has advanced a legacy of philanthropy that has created more than 100 distinguished professorships across the UNC System's 16 campuses. At UNC Charlotte alone, seven endowed professorships have been supported by the Foundation. In addition to her long-standing generous support of the University, Nelson's philanthropic spirit spans many worthy causes.

Nelson earned her bachelor's degree in economics, *Magna Cum Laude*, from Wellesley College and an MBA from Harvard Business School.

In recognition of her enduring commitment to education, her visionary philanthropy and her service to UNC Charlotte and the citizens of Charlotte, the region, the state and the world, The University of North Carolina at Charlotte awards the honorary degree, Doctor of Public Service, to Anna Spangler Nelson.

UNC BOARD OF GOVERNORS AWARD FOR EXCELLENCE IN TEACHING

ERIK BYKER

DEPARTMENT OF READING AND ELEMENTARY EDUCATION

The Board of Governors Award for Excellence in Teaching was established in 1994 to underscore the importance of teaching and to encourage, identify, recognize, reward and support good teaching within the university. This award is given annually to a tenured faculty member from each campus within the UNC System. Winners must have taught at their present institutions for at least seven years. The 17 recipients were nominated by individual campus committees and selected by the Board of Governors Committee on Personnel and Tenure.

UNC Charlotte's recipient of the Board of Governors Award for Excellence in Teaching is Dr. Erik Byker, Professor from the Department of Reading and Elementary Education.

Erik Byker is an accomplished teacher, mentor and leader known for encouraging and providing opportunities for students to display their scholarship. He uses the Hawaiian phrase, *E Komo Mai*, which means "the door is open, the house is yours" to describe his belief that the classroom is a shared space in which teaching and learning are collaborative.

"The objective of my educational philosophy is to guide undergraduate and graduate students in their professional development by deepening their understanding of what it means to be an engaged citizen and a scholar," said Byker. "My goal is to guide learners towards a transformation from thinking like a student to becoming a critically engaged, citizen scholar who cares deeply for the world."

Byker has taught students at every level, from first-year students through doctoral candidates. He strongly believes in developing the critical thinking and problem-solving skills of students and employs a number of innovative teaching techniques related to preparing students to engage in inquiry. Byker's teaching strategies include focused library research workshop times, self-assessment checks, peer-writing sessions and the use of digital tools to enhance writing and communication.

Byker is committed to undergraduate research and has witnessed how research opportunities are a catalyst in helping students transform into engaged scholars. His dedication to advising and mentoring is reflected in his work as a thesis director and reader for many honors students. He is the recipient of many awards, including the 2021 Bonnie E. Cone Early-Career Professorship in Teaching and the Teaching Advisory Board Member for the National Humanities Center in 2023. In 2024, Byker was awarded UNC Charlotte's top teaching award, the Bank of America Award for Teaching Excellence.

In addition to teaching, Byker serves as a faculty fellow in the Office of Undergraduate Research, is chairperson of the Undergraduate Research Conference, serves as director of the Cato College of Education's Prospect for Success program and is director of the applied understanding of global education minor.

GREETINGS FROM THE GRADUATING CLASS

CARITA M. BURMESTER

BACHELOR OF ARTS, SPECIAL EDUCATION

Good morning faculty, families, friends and of course all of us who are graduating today!

My name is Carita Burmester, and it's an honor to have the opportunity to speak at commencement. Let us take a moment to acknowledge all the graduates because: Wow, we made it!

We should be proud of our hard work and the dedication that brought us to this point. And thank you to families and friends who supported us and educators who expanded our horizons. Let us take a moment to recognize them with a round of applause.

We certainly didn't all get to this point the same way. Some of us knew exactly what we wanted to accomplish and followed our plan. Some of us took some detours. I made it all the way to my junior year before I realized it was special education where I was meant to be. Some of us stopped along the way to work, start a family, travel or recover from some other unexpected life event. But we probably all have one thing in common, we learned lessons that will be important for the rest of our lives.

I learned to ask for help when I need it. This was definitely a learning curve for me. But in the end, I learned that it's not a sign of weakness or a sign that you are any less capable but a sign of growth and initiative. We probably have all learned that many of our goals won't happen as quickly as we'd like, but persistence does eventually pay off. We may have discovered that relationships may not last forever, but they all contribute to shaping us. We also may have discovered that life lasting friendship can pop up in the most unexpected ways. Insomnia Cookies won't really improve your grade, but sometimes it's what you need; and the venting sessions with your friends or classmates when you should be studying can be very cathartic. We all have learned the ins and outs of having to reply to classmates on discussion boards and how tedious that can be. And whether you are the person who does things the night before they are due or weeks in advance, you can get the same grade.

I hope that we can all say that our memories made here at Charlotte have made for an unforgettable college experience.

I hope we all continue to grow from the lessons we have learned during our time here at Charlotte. Our experiences, not just academically but also socially, have equipped us with a specialized tool-set to make a difference in the world. I know that we can use that tool-set to the best of our ability to make an impact.

Congratulations graduates, and always remember- once a Niner, always a Niner!

E.K. FRETWELL, U.S. HIGHER EDUCATION LEADER (1923-2012)

Dr. E.K. Fretwell used his national higher education leadership to gain recognition for UNC Charlotte. He became the University's second chancellor in January 1979 after serving as president of State University of New York College at Buffalo, and before that as assistant commissioner for higher education of the New York State Education Department. During his career, he led some of America's most prominent higher education associations - president of the American Association for Higher Education, president of the American Association of State Colleges and Universities, chair of the American Council on Education and chair of the Council on Postsecondary Accreditation. In addition, Fretwell was named one of the 100 most effective chancellors and university presidents in the United States in a national study. After retiring in 1989, he served as interim president of the five-campus University of Massachusetts, authored several books on university management and consulted on higher education around the country and the world. He was awarded an Honorary Doctor of Public Service degree during UNC Charlotte's spring 1998 Commencement ceremonies. In 2002, he received the UNC Charlotte Alumni Association's Alumnus by Choice Award.

THE UNIVERSITY NICKNAME - 49ERS

The "49ers" nickname was chosen in recognition of the importance of the year 1949 in the history of the University. UNC Charlotte, which began as an off-campus center of the University of North Carolina, would have died in 1949 had Bonnie Cone and her supporters not convinced the N.C. Legislature that Charlotte needed a permanent institution of higher learning. Charlotte College was established that year. It is fortuitous that the University campus is located on N.C. Highway 49 and that Charlotte has a rich gold mining history. A bronze statue of the 49er Gold Miner sits in the Cato College of Education and College of Health and Human Services Plaza. The statue recalls the region's history as a gold mining center and symbolizes the pioneering spirit and determination that has led to UNC Charlotte's dramatic growth.

MAY 2025 COMMENCEMENT
 FRIDAY AFTERNOON CEREMONY
 COLLEGE OF ARTS + ARCHITECTURE
 COLLEGE OF COMPUTING AND INFORMATICS
 COLLEGE OF HEALTH AND HUMAN SERVICES

<i>The National Anthem</i>	J. Brooke Smith Bachelor of Music
<i>Welcome</i>	Sharon L. Gaber Chancellor
<i>Greetings from the UNC Charlotte Board of Trustees</i>	Dennis N. Bunker III Chair, Board of Trustees
<i>Greetings from the Graduating Class</i>	John Gopali Bachelor of Science, Computer Science
<i>Recognition of the Graduates</i>	Jennifer L. Troyer Provost and Vice Chancellor for Academic Affairs
<i>Ringling of the UNC Charlotte Bell</i>	Tye'Quez J. Wilkins Bachelor of Arts, Architecture
<i>Conferral of Degrees</i>	Chancellor Gaber and Provost Troyer
<i>Turning of the Tassel</i>	Grace M. Cooper 2024-2025 Senior Class President Bachelor of Arts, Political Science Bachelor of Science, Economics

The Commencement program is printed prior to administering final examinations. Therefore, the inclusion of names of degree candidates in the program is not certification that degree requirements have been satisfactorily completed.

GREETINGS FROM THE GRADUATING CLASS

JOHN GOPALI BACHELOR OF SCIENCE, COMPUTER SCIENCE

Hello, Class of 2025!

Let me first congratulate every single one of you on this incredible milestone. You have pushed yourselves to reach this moment, and you truly deserve it. My name is John Gopali. You might have seen me around Woodward or attending those career meetups. And if we haven't officially met yet, feel free to connect with me on LinkedIn. Just kidding, sort of.

Reflecting on our journey, it's amazing how much we all accomplished to arrive at this point. The road wasn't always easy. Life tested us, but every time we answered the challenge, we succeeded. Remember walking onto campus as nervous freshmen, unsure of where to go or what to expect? Today, we leave as confident, skilled graduates, ready to push forward into the next chapter.

To share a bit of my own story: Back in high school, I did not apply myself as I should have. I lacked motivation and assumed getting into college would just happen. It didn't. I was rejected by every college I applied to. Charlotte offered me an opportunity through the Passport Bridge program, allowing me to spend a year at Central Piedmont Community College before officially joining the university. At first, this felt like a major setback, something I was afraid to share with others. However, looking back, that challenge became a great motivator for me. I promised myself that I would always push myself to become better. And that's exactly what I did.

Here at Charlotte, I worked hard each day to become the best student I could be. I actively participated in class, surrounded myself with people who helped me stay motivated, and became a leader with the 49th Security Division. Through that Student Organization, I met some of my closest friends, people who continually pushed me to grow. We all remember those late nights at 3 a.m., screens glowing, code refusing to cooperate, caffeine becoming our lifeline. Those were the moments when we truly applied ourselves, and honestly, those were the times when I felt proudest to call myself a Niner. I sincerely thank all of you for that.

Fellow graduates, we have answered every challenging assignment, group project, and even those pesky syllabus quizzes. Because of that determination, we're stronger, smarter, and ready for what life brings next. Our graduation demonstrates everything we've accomplished and all the challenges we've overcome as Niners, and now as proud alumni. Personally, I would like to thank my parents, Abraham and Anupama, my sister, Jordan, Elevation Church, and all the professors I had along the way. You were all instrumental to me standing before you today.

Class of 2025, always remember no matter what difficulty life presents, we will keep pushing ourselves forward toward our goals. We conquered college, and now it's time to conquer life. I challenge each of you to wake up every day determined to be the absolute best you can be. Because that's who we are. We are Niners.

Congratulations again, Class of 2025. Let's be great!

JAMES H. WOODWARD, BUILDING FOR THE FUTURE

Dr. James H. Woodward became UNC Charlotte's third chancellor in 1989, immediately establishing himself as one of the leading executives of the Charlotte metropolitan region. A U.S. Air Force veteran, he worked in private industry and taught at North Carolina State University, the U.S. Air Force Academy and the University of Alabama at Birmingham, where he was a senior vice president for academic affairs, prior to coming to UNC Charlotte. Under his leadership, UNC Charlotte launched ambitious plans for both physical and intellectual growth. Woodward built strong support among the region's corporate and political leaders, obtained approval to expand the University's mission to include doctoral programs and raised the University to doctoral/research intensive status. He established UNC Charlotte Uptown to serve students in the central business district. An engineer, Woodward generated support to build the James H. Barnhardt Student Activity Center and the Irwin Belk Track and Field Center, obtained state funding for doubling the size of the J. Murrey Atkins Library and was instrumental in garnering public support to pass a \$3.1 billion statewide bond referendum that enabled UNC Charlotte to construct or renovate nearly a dozen buildings. He retired in 2005. Woodward has

received numerous honors, including the naming of the science and technology building in 2005 as James H. and Martha H. Woodward Hall in recognition of his 16 years of service. In May 2011, UNC Charlotte awarded him an honorary degree, Doctor of Public Service. Woodward received the UNC Charlotte Alumni Association's Alumnus by Choice Award in 2012. In November 2017, he was awarded the North Carolina Award for Public Service.

PHILIP L. DUBOIS ENROLLMENT GROWTH AND ACADEMIC EXPANSION

At the time of his retirement on June 30, 2020, Dr. Philip L. Dubois, UNC Charlotte's fourth chancellor, was the senior chancellor in the University of North Carolina system. He led the system's fastest-growing institution, directing a 43% growth in enrollment, an expansion of academic programs, implementation of diversity-related initiatives, growth in research funding and significant construction and renovation of campus facilities. Under Dubois' strategic direction, football was added to the University's athletics offerings in 2013, and he collaborated with elected officials and the Charlotte Area Transit System to make possible the construction of the light rail line from Center City Charlotte to the UNC Charlotte campus. Dubois' career in higher education spanned more than 40 years. Previously, he served as president of the University of Wyoming, provost and vice chancellor for academic affairs at UNC Charlotte and associate vice chancellor for academic programs at the University of California, Davis. Dubois has been recognized regionally and nationally as an expert in higher education, achieving many awards and accolades during his respected career. In 2020, Dubois was recognized by the American Council on Education with its Outstanding Mentor Award, by the UNC Charlotte Alumni Association with its Honorary Alumnus Award and by North Carolina Governor Roy Cooper with The Order of the Long Leaf Pine.

Bachelor of Arts, Political Science
Bachelor of Science, Economics

The Commencement program is printed prior to administering final examinations. Therefore, the inclusion of names of degree candidates in the program is not certification that degree requirements have been satisfactorily completed.

GREETINGS FROM THE GRADUATING CLASS

Mauricio Lopez-Huerta Bachelor of Science, Biology

Good morning, Chancellor Gaber, esteemed faculty, proud families, and most importantly, the graduating class of 2025.

Today, as we gather in Halton Arena, we celebrate more than just the degrees we've earned. We celebrate the journeys that brought us here, the people who lifted us up and the obstacles we overcame. Each of us has walked a unique path to this stage, but what unites us is the resilience, determination and sense of community UNC Charlotte has instilled in us.

When I first arrived on campus, I felt like I was stepping into the unknown. As a first-generation student, I didn't have a roadmap for navigating college life. I often questioned if I belonged, if I could keep up or if I was capable. I remember calling my mom after the first week, saying, "I think I might have made a mistake. I'm not sure I belong here." I think she even Googled, "How to support a nervous college student."

Through those uncertainties, I discovered something powerful: belonging isn't something we wait for; it's something we create. Like a seed planted in unfamiliar soil, I learned growth doesn't come from knowing the entire map ahead but from taking root where we are and leaning into the support around us.

I found belonging by giving. When I founded a student chapter of the Health Link Society in 2024, it wasn't just about starting an organization; it was about creating a support system for students like me, students who dreamed of careers in healthcare but needed guidance, mentorship and opportunities. It was about opening doors, helping students secure research positions, gain hospital experience or simply believe in themselves. And in lifting others, I found myself rising too.

Through the Charlotte Mentor Collective, I saw how small acts of kindness change lives. One student needed advice, another needed a friend and another just needed to hear they mattered. I realized leadership isn't about titles; it's about servanthood. Success isn't measured just in personal achievements but in how we uplift those around us.

UNC Charlotte has been more than a university; it provides ground for our resilience and a sanctuary for our dreams. It's where we stumbled, got back up and kept pushing forward. We've been shaped by more than lectures and exams, we've been shaped by each other. Late nights chasing deadlines with friends who became family, professors who saw potential in us before we saw it in ourselves and quiet victories no one else witnessed, the moments we pushed through self-doubt, showed up for each other and chose courage over fear. To all of you, thank you; for your belief, your presence and your unwavering support.

As we step beyond these walls, let's remember success isn't a solitary climb; it's a shared journey. The true measure of our education isn't just in the degrees we hold but in the impact we leave behind. We are not just graduates today; we are mentors, advocates and trailblazers for those who come after us. We have planted roots here, and from those roots, others will rise.

Congratulations, Class of 2025. The journey ahead is ours to shape.

HISTORY OF THE UNIVERSITY

UNC Charlotte was one of a generation of institutions founded in metropolitan areas following World War II. Created as the Charlotte Center, the institution opened on September 23, 1946. It offered evening classes to an initial class of 278 freshmen and sophomores in the facilities of Charlotte's Central High School. In 1949, the city's pioneering business

and civic leaders, aware of the region's unmet need for a public institution of higher education, moved to have the Charlotte Center taken over by the city school district and operated as Charlotte College, offering the first two years of college courses. By 1961, Charlotte College was experiencing rapid growth that resulted in the establishment of a campus of its own. In the same year, Charlotte College leaders moved its student population into the first two buildings, Kennedy and Macy, on what would become a 1,000-acre campus ten miles from downtown Charlotte. In 1963, the North Carolina legislature approved bills making Charlotte College a four-year, state-supported institution. In 1965, the legislature passed bills designating the College the University of North Carolina at Charlotte, the fourth campus of the consolidated state system. Expansion continued as the University began offering master's degrees in 1969. In 1992, UNC Charlotte received authorization for its first doctoral programs. UNC Charlotte is the state's urban research institution and the system's third largest public university with greater than 30,000 students enrolled.

MAY 2025 COMMENCEMENT

SATURDAY AFTERNOON CEREMONY

MASTER'S AND GRADUATE CERTIFICATES

<i>The National Anthem</i>	Keilah E. Jones Bachelor of Music
<i>Welcome</i>	Sharon L. Gaber Chancellor
<i>Greetings from the UNC Charlotte Board of Trustees</i>	J. Brett Keeter Member, Board of Trustees
<i>Greetings from the Graduating Class</i>	Fatima T. Ghaleb Master of Science, Earth Science
<i>Recognition of the Graduates</i>	Jennifer L. Troyer Provost and Vice Chancellor for Academic Affairs
<i>Conferral of Degrees</i>	Chancellor Gaber and Provost Troyer
<i>Ringling of the UNC Charlotte Bell</i>	Justyn R. Ramseur Master of Science, Management

The Commencement program is printed prior to administering final examinations. Therefore, the inclusion of names of degree candidates in the program is not certification that degree requirements have been satisfactorily completed.

GREETINGS FROM THE GRADUATING CLASS

Fatima T. Ghaleb
Master of Science, Earth Science

assalamu alaikum rahmatullahi wa barakatuh.

Peace and blessings be upon you.

Good afternoon, faculty, families, and my fellow graduates.

Today, we gather to celebrate a huge milestone in our lives. As I stand before you, I am reminded of the incredible odds that have brought us all to this very moment. The odds of us, this exact group of graduate students, being here today to graduate is truly extraordinary.

Think about it—the countless decisions, and seemingly random events that had to align perfectly for each of us to arrive here today. The odds of this specific group of graduate students graduating together are astronomically low. And yet, here we are, and we are meant to be here today.

Consider the odds and challenges we've faced, from navigating a global pandemic, a polarized political world, to insufferable internet trends like Skibidi Toilet rizz. If we can make it through all that, we're clearly ready for whatever life throws at us next. Even the challenges we've faced during our time in graduate school—the late nights, the imposter syndrome, the points where your research didn't go as planned, and the moments of self-doubt and uncertainty have shaped us into the resilient, capable individuals we are today.

Our challenges extend beyond personal or academic. We live in a world where many communities face immense struggles when resilience isn't a choice but a necessity. From the fight for justice and dignity to the hope of those rebuilding amidst adversity, we're reminded that our stories are interconnected. The strength we've built here can inspire us to stand in solidarity with those facing seemingly insurmountable odds.

It is easy to think of life as a series of checkboxes: graduate, get a job and start a career, and so on. We try to control as much as we can, clinging to the illusion of certainty. But when something unexpected or odd happens, we tend to get scared and often react with fear to the unknown. What if, instead of resisting the unexpected odds of life, we embraced it? What if we saw life's unpredictability not as a series of obstacles, but as opportunities for growth and discovery?

The reality is, some of the most defining moments of our lives come from the unexpected—the unexpected detours, surprises, or even failures that lead us to places we never imagined. For instance, taking an elective course you thought would be an easy credit only to discover a passion that shapes your career path.

So, as we step into the next chapter of our lives, I encourage all of us to embrace the odds that come our way. Life will not always go according to plan, and that's okay. It's in those moments of uncertainty that we discover who we are and what we're capable of. It's in those moments that we find new paths, new passions, and new possibilities.

Finally, huge shout out to our families, peers, professors, and mentors for their support and belief in us that has served as the foundation in our journey.

Congratulations to the graduate Class of 2025! May we all embrace the odds and oddities of life and turn them into opportunities for greatness.

Thank you.

CHANCELLOR SHARON L. GABER

Sharon L. Gaber, Ph.D., serves as the fifth Chancellor of the University of North Carolina at Charlotte, the Charlotte region's public research university. With more than 31,000 students, Charlotte is the third largest institution in the University of North Carolina System and is nationally recognized for its innovative approach to student success.

Since Gaber arrived as Chancellor in 2020, the University has embarked on a bold 10-year strategic plan that articulates a new vision as a globally recognized research university. That vision was realized in February 2025 when the University officially earned the nation's top research designation, Carnegie R1.

Charlotte is also reaching new heights in the national rankings. Since 2020, the University is one of the top 10 fastest-rising universities in the nation, according to *U.S. News & World Report*, rising 76 spots overall and ranking No. 81 among U.S. public universities. The publication also ranks Charlotte as the most innovative public university in North Carolina and No. 45 in the nation.

An academic with a background in city and regional planning, Gaber is the author of several articles on regional and urban planning, public policy and the social dynamics that affect community decision-making. She is also the co-author of a book on planning research methods.

Dr. Gaber has been widely recognized for her leadership and innovation. She was named one of the *Charlotte Business Journal's* Most Admired CEOs in 2021 and was featured on the publication's prestigious Power 100 list in both 2022 and 2024, highlighting the region's top innovators. Additionally, she has earned a spot on *Business North Carolina's* Power List for four consecutive years. In 2022, she received the Career Mastered Distinguished Leadership Award, further cementing her impact in higher education and beyond. Earlier in her career, Education Dive recognized her as one of five higher education leaders to watch in 2018 and beyond.

Deeply engaged in community and regional activities, she serves on the board of Charlotte Center City Partners and is a member of the Charlotte Executive Leadership Council, Women Executives, the International Women's Forum – Carolinas, and Charlotte's Leading on Opportunity Council. At the national level, Gaber has served on multiple NCAA committees and currently serves on the Executive Committee of the American Athletic Conference.

A native of Southern California, Gaber earned an A.B. in Economics and Urban Studies from Occidental College, an M.P.L. in Urban Planning from the University of Southern California and a Ph.D. in City & Regional Planning from Cornell University.

Prior to her arrival at UNC Charlotte, Gaber served for five years as the president of the University of Toledo. Earlier in her career, she served as provost and vice chancellor for academic affairs at the University of Arkansas. She has also served as an administrator and interim provost at Auburn University and a faculty member and administrator at the University of Nebraska-Lincoln.

Officially the first woman to serve as chancellor of UNC Charlotte, Gaber follows the trail blazed by founding educator Bonnie Cone, who led the institution from 1946-66 through several stages of growth.

Gaber is the proud mother of three children: Allison, Peter and Jen (dec).

CHANCELLOR'S CABINET

Richard P. Amon	Vice Chancellor for Business Affairs, Chief Financial & Administrative Officer
Kevin W. Bailey	Vice Chancellor for Student Affairs
Kim S. Bradley	Chief of Staff
Michael S. Carlin	Vice Chancellor for OneIT, CIO, Chief University Innovation & Process Officer

Betty M. Doster	Special Assistant to the Chancellor for External Relations and Partnerships
R. Michael Hill	Director of Athletics
James E. S. (Jesh) Humphrey IV	Vice Chancellor for Institutional Integrity and General Counsel
Jennifer Ames Stuart	Chief Communications Officer/Associate Vice Chancellor for University Communications
Jennifer L. Troyer	Provost and Vice Chancellor for Academic Affairs

WELCOME TO THE ALUMNI ASSOCIATION

Congratulations, Class of 2025! We are incredibly proud of you for earning your degree from UNC Charlotte and we applaud you for reaching this incredible milestone. We are also excited to welcome you to the UNC Charlotte Alumni Association, which includes more than 185,000 fellow alumni.

The mission of the Office of Alumni Engagement is to inspire current and future Charlotte alumni to engage in lifelong relationships with Niner Nation, because your 49er experience doesn't end when you graduate. Once a Niner, always a Niner!

Connect with Fellow Niners

As a new graduate, you will receive invitations to participate in activities and events hosted specifically for GOLD Alumni (Graduates of the Last Decade), including trivia nights, happy hours and alumni panels that will help you grow as a professional. We offer a variety of events and resources to help you stay involved with Niner Nation:

- Networking events
- A lifetime of career resources
- Interest and affinity networks
- Homecoming: Niner Nation Week
- Alumni Tailgate at the Hauser Alumni Pavilion
- Alumni Award programs (including the 10 Under Ten Awards for GOLD Alumni)
- Opportunities to give back as a Niner volunteer
- And more!

Stay Informed

- Follow us on Facebook, Instagram and X by searching for @49erAlumni.
- Join the UNC Charlotte Alumni group on LinkedIn.
- Visit alumni.charlotte.edu to see upcoming events and find ways to get involved.
- Scan the QR code to update your information!

Get your UNC Charlotte license plate

Take your Niner spirit wherever you go while also supporting your University!

For every UNC Charlotte specialty license plate purchased in the state of North Carolina, a portion of the annual fee is used to support critical student scholarships.
