## GREETINGS FROM THE CHANCELLOR

Dear Graduates,

Congratulations on your graduation! While today marks the culmination of your hard work and perseverance, it's also a day of celebration for your family, friends and the faculty and staff who have supported you every step of the way.

UNC Charlotte was founded in 1946 to fill an educational gap in North Carolina's largest city. In the decades since its humble beginning, we've grown into North Carolina's urban research university, a Carnegie R1 institution now serving more than 32,000 students. From the beginning, our mission has been rooted in expanding access to higher education—and our continued success is thanks to the extraordinary students, exceptional faculty and staff, dedicated alumni, generous supporters and strong leaders who have propelled us forward.

We are a university on the move. Since 2020, we've climbed 85 spots in the overall *U.S. News & World Report* rankings and currently hold the No. 74 spot among public universities for 2026—making us one of the fastest rising universities in the nation. And we're one of only three in North Carolina to be ranked among the nation's top 75 public universities. Additionally, UNC Charlotte ranks highest of all public universities in North Carolina in *U.S. News & World Report's* "Most Innovative Schools" category, where we're ranked No. 38 in the nation.

You should be proud of the degree you've earned from UNC Charlotte. It represents not only academic achievement but also personal growth. During your time here, you've developed intellectually, emotionally and socially through engaging in classroom discussions, participating in campus activities, completing internships, interacting with individuals from other cultures and connecting with the greater Charlotte community.

On behalf of UNC Charlotte's Board of Trustees, faculty, staff, alumni and friends, I offer my heartfelt congratulations. We are proud of all you have accomplished and grateful to have been a part of your journey.

As you step into this next chapter, you also step into a lifelong relationship with UNC Charlotte as a proud member of our Alumni Association—now more than 189,000 strong around the globe. Stay connected, get involved and let your Niner pride continue to grow. May the friendships and memories you've made here stay with you always. And wherever your journey takes you, never forget—you are always a 49er!

Sincerely,

A handwritten signature in black ink that reads "Sharon L. Gaber". The signature is written in a cursive, flowing style.

Sharon L. Gaber  
Chancellor

## UNC CHARLOTTE BOARD OF TRUSTEES

Dontá L. Wilson '97 currently serves as board chair. Wilson is the chief consumer and small business banking officer for Truist Financial Corporation, a purpose-driven financial services organization committed to inspiring and building better lives and communities. He leads 20,000 teammates who serve retail, premier and small business clients through digital banking, multiple virtual service centers and more than 1,900 community banking branches. Additionally, he oversees core deposit and loan products, also including mortgage, auto, credit card and national consumer lending businesses: LightStream, Dealer Financial Services, Regional Acceptance Corporation, Sheffield Financial and Service Finance Company; as well as consumer capital markets; consumer credit underwriting and approval; enterprise marketing; client analytics; client experience strategy; and digital banking, transformation and innovation. He is also a member of Truist's Operating Council.

Wilson was named to the executive leadership team in 2016 and has served as chief retail and small business banking officer and chief digital and client experience officer for Truist. His career leadership responsibilities span both consumer and wholesale client segments, in addition to holding several enterprise function leadership roles. Wilson has led global services and enterprise bank operations, intelligent automation, experience design and research, decision science, corporate communications, CRA and community development, the Truist Foundation and fintech investments through Truist Ventures. Prior to 2016, Wilson served in regional and group president roles leading retail, wealth, mortgage, commercial, corporate banking and commercial real estate. His experience encompasses successfully guiding teams through multiple acquisitions, including the historic Truist merger of equals in 2019.

Wilson serves on the Signet Jewelers Board of Directors. He has been named one of Savoy's Top Black Executives since 2016 and was chosen Digital Banker of the Year by American Banker in 2021. Wilson is a member of Global 50/World 50, Executive Leadership Council, Sigma Pi Phi (Boulé) and Kappa Alpha Psi, Inc.

Wilson earned his bachelor's degree in management from UNC Charlotte and an MBA from the University of Maryland.

Wilson was appointed to the UNC Charlotte Board of Trustees in 2021 to a four-year term by the UNC Board of Governors and was recently reappointed to a second four-year term in 2025.

*The UNC Charlotte Board of Trustees also includes Sasha J. Weintraub, Vice Chair; Geoffrey D. Gray, Secretary; W. Henry Atkins; Amy Klein Aznar; John A. Bailey '94; David Longo; Hugh L. McColl, Jr.; David R. Ravin '94; Thomas M. Scrivener; Lawrence J. Shaheen, Jr.; Michael J. Smith; and Madison P. Brown, Student Body President.*

The current University logo was adopted in August of 2021 and captures the trailblazing spirit of UNC Charlotte: a strong and powerful institution, boldly charging into the future, much like the city we call home. The centerpiece is a distinctive mark called the "All-In C" that places the classic 49ers' gold-mining pick inside a collegiate-inspired "C" with beveled corners. It is an icon that represents the power to break new ground, the persistence to discover the unknown and the promise to build the future. The 9-degree forward tilt illustrates the brand's positive energy and forward momentum. The new University mark, along with the 2020 athletics mark, was designed by Todd Aldridge '92, a distinguished alumnus of UNC Charlotte's College of Arts + Architecture and Past President of the Alumni Association Board of Directors.

# UNC CHARLOTTE BELL

The UNC Charlotte Bell, which for many years hung in the belfry of the old Elizabeth School at East Fifth Street and Travis Avenue in Charlotte, was given to Charlotte College in 1963 to be rung on ceremonial occasions.

The ringing of the "Old Bell" is reserved for significant events and special accomplishments like when Charlotte College became UNC Charlotte and officially joined the UNC System; when we were granted doctoral status; when we received final approval of the football program; and, most recently, when we achieved top-tier research status.

## COMMENCEMENT BELL RINGERS

The ringing of the UNC Charlotte Bell at Commencement is an honorable tradition that recognizes an outstanding student leader who has demonstrated exemplary 49er spirit.

The student leaders chosen to ring the bell for the Commencement ceremonies are **Kaitlin E. Klotz** (Thursday morning), **Chase K. Minor** (Friday morning), **Kierra M. Andrews** (Friday afternoon), **Patrick K. Bonna** (Saturday morning), **Shailesh Kumar** (Saturday afternoon).

## TURNING OF THE TASSEL

In earlier times, universities awarded each graduate a hood signifying their academic station. Over the years, the hood for undergraduates has been replaced by a tassel. Tradition requires that before graduation the tassel is worn on the right hand side of the cap. After graduation, as a symbol of a new degree holder, the tassel is worn on the left.

**Emily D. Hoyle**, 2025-2026 Senior Class President, will lead the undergraduate candidates in the turning of the tassel.

## BONNIE E. CONE, OUR FOUNDER

(1907-2003)

Bonnie E. Cone, the founder of UNC Charlotte, served the institution from its earliest days in 1946. Beginning as a teacher that year, she became director of the Charlotte Center of the University of North Carolina in 1947. She persuaded the legislature to keep the institution alive in 1949 when it was scheduled to close, resulting in the establishment of Charlotte College, which she served as president. The College became a four-year, state-supported institution in 1963. Cone was given her greatest acclaim for leading the successful campaign to convert Charlotte College into The University of North Carolina at Charlotte in 1965. She then served as vice chancellor for student affairs until her official retirement. She is interred in Van Landingham Glen on the campus she loved and to which she dedicated her life.

# EXPLANATION OF HONORS PROGRAMS, MERIT SCHOLARS AND ACADEMIC DISTINCTION

**Honors:** The Honors College provides students access to robust curricular and co-curricular experiences designed to foster curiosity, community and connections with the city of Charlotte. The Honors College offers students the opportunity to take interdisciplinary seminars with excellent faculty and connect with sustained partnerships outside the classroom in undergraduate research, study abroad, community engagement, internships and more.

In all aspects of the Honors College experience, faculty, staff and students embody:

- Intellectual curiosity and growth
- Collaboration and mutual investment in excellence as scholar community
- Integrity and trustworthiness
- Treating all with dignity and respect

**University Honors Program:** Directly administered by the Honors College, the University Honors Program (UHP) is the oldest and largest multi-year honors program at UNC Charlotte, welcoming students from any major and comprising more than half of all honors students on campus. An interdisciplinary program, UHP encourages students to integrate learning from multiple academic disciplines with their own lived experiences, creating new knowledge that is more than just the sum of its parts. UHP's students put their learning into practice through electing an annual Honors Core Experience such as an internship, undergraduate research, community service or study abroad. To graduate with University Honors, a student must: complete all program requirements, including 22 hours of honors coursework; maintain at minimum a 3.0 cumulative grade point average and a 3.2 grade point average in honors courses; and receive a grade of "A" on the honors capstone thesis or project.

**Department/College Honors:** To graduate with honors recognition in a department or college honors program, a student will be recommended by the program's honors committee if they meet the grade point averages required (i.e., cumulative, in the department/college and in honors courses), as well as complete the following:

- All required honors courses
- An honors capstone thesis or project, and receive an "A"
- Any additional requirements specified by the program

**Dual Honors:** Students must complete requirements for a department or college honors program in addition to the requirements and coursework for either the University Honors Program or the Business Honors Program.

**Merit Scholarships:** Albert Scholars, Freeman Scholars, Johnson Scholars, Levine Scholars and Martin Scholars are recipients of major four-year merit scholarships funded by University donors. Students participate in programming that fosters intellectual, social and civic engagement and must continue to meet all scholarship conditions.

**Graduation with Honors:** Honors and merit scholars receive a notation on their transcript and a certificate. Honors and merit scholars' graduation regalia includes custom-designed medallions and stoles denoting the honors and merit scholar programs.

**Graduation with Academic Distinction:** Undergraduate degrees are awarded *Summa Cum Laude* when the graduate's cumulative grade point average is 3.9 to 4.0, *Magna Cum Laude* when the grade point average is 3.7 or above but less than 3.9 and *Cum Laude* when the grade point average is 3.4 or above but less than 3.7. To be eligible to graduate with academic distinction, a student must earn a grade point average computed on at least 48 semester hours of credit completed in residence at UNC Charlotte. Honor cord colors are green/white for *Summa Cum Laude* graduates, white for *Magna Cum Laude* graduates and green for *Cum Laude* graduates.

*All notations for honors are based upon student achievements as of the preceding term and are tentative. Final determination of graduation with honors or with academic distinction is made upon completion of the student's final term.*

**DEAN W. COLVARD, FIRST CHANCELLOR  
 (1913-2007)**

In April 1966, Dr. Dean W. Colvard became the first chancellor of The University of North Carolina at Charlotte. During his 12-year tenure, he presided over a period of rapid campus growth and development. Under his leadership, the institution was organized into colleges; residence halls were built, graduate work was initiated and long-range planning started. His accomplishments included helping to create the University Research Park and the University's Urban Institute, whose mission is to seek solutions to the social, economic and environmental challenges facing Charlotte and its urban communities. Colvard joined the University from the presidency of Mississippi State University, and he also served as a dean at North Carolina State University. Following his retirement in December 1978, Colvard helped complete Charlotte's Discovery Place Museum and was the founding board chair of the North Carolina School of Science and Mathematics. He also wrote books about his experience at NC State, Mississippi State and UNC Charlotte. In 2001, Colvard received the UNC Charlotte Alumni Association's Alumnus by Choice Award, and in 2004, he received the Echo Foundation's Award Against Indifference.

# UNC BOARD OF GOVERNORS AWARD FOR EXCELLENCE IN TEACHING

SUSANA CISNEROS

DEPARTMENT OF LANGUAGES, CULTURES AND TRANSLATION

The Board of Governors Award for Excellence in Teaching was established in 1994 to underscore the importance of teaching and to encourage, recognize, reward and support good teaching within the university. This award is given annually to a faculty member from each campus within the UNC System. Winners must have taught at their present institutions for at least seven years. Seventeen recipients were nominated by individual campus committees and selected by the Board of Governors Committee on Personnel and Tenure.

UNC Charlotte's recipient of the Board of Governors Award for Excellence in Teaching is Susana Cisneros, senior lecturer of Spanish in the Department of Languages, Cultures and Translation.

Cisneros is a passionate educator and community connector who sees teaching as a journey of growth for students and teachers. A former attorney from Argentina and a certified paralegal, she brings a global perspective and a community-centered ethos to her Spanish language instruction at UNC Charlotte.

"Teaching is a lifelong learning process for students, teachers, mentors and community partners," Cisneros said. "It involves encouraging others to be their best selves, to stop judgment and see opportunity and, most importantly, to become part of the solution. The classroom is where I belong and can become my full self through new experiences, challenges and happiness."

Her philosophy is rooted in building authentic relationships with her students, the curriculum and the community. On the first day of class, she asks students to write her letters about how she can best support them and creates language exchanges with peers in Argentina and Spain. Her focus is always on learning that is personal, contextual and transformative.

Cisneros has led community-engaged projects supported by North Carolina Campus Engagement and partnered with institutions like the Levine Museum of the New South and the Camino Community Center. She also mentors through the Forty Niner Intensive Transition Program (FIT), supporting first-generation students as they build belonging and skills for college success.

"Susana is a creative and highly committed faculty member who has met the highest standards for outstanding education and commitment to student success," said Christopher Boyer, dean of the College of Humanities & Earth and Social Sciences.

Cisneros is the recipient of the 2025 UNC Charlotte Award for Teaching Excellence Teaching-Focused Faculty.

**E.K. FRETWELL, U.S. HIGHER EDUCATION LEADER  
 (1923-2012)**

Dr. E.K. Fretwell used his national higher education leadership to gain recognition for UNC Charlotte. He became the University's second chancellor in January 1979 after serving as president of State University of New York College at Buffalo, and before that as assistant commissioner for higher education of the New York State Education Department. During his career, he led some of America's most prominent higher education associations - president of the American Association for Higher Education, president of the American Association of State Colleges and Universities, chair of the American Council on Education and chair of the Council on Postsecondary Accreditation. In addition, Fretwell was named one of the 100 most effective chancellors and university presidents in the United States in a national study. After retiring in 1989, he served as interim president of the five-campus University of Massachusetts, authored several books on university management and consulted on higher education around the country and the world. He was awarded an Honorary Doctor of Public Service degree during UNC Charlotte's spring 1998 Commencement ceremonies. In 2002, he received the UNC Charlotte Alumni Association's Alumnus by Choice Award.

## HISTORY OF THE UNIVERSITY

UNC Charlotte was one of a generation of institutions founded in metropolitan areas following World War II. Created as the Charlotte Center, the institution opened on September 23, 1946. It offered evening classes to an initial class of 278 freshmen and sophomores in the facilities of Charlotte's Central High School. In 1949, the city's pioneering

business and civic leaders, aware of the region's unmet need for a public institution of higher education, moved to have the Charlotte Center taken over by the city school district and operated as Charlotte College, offering the first two years of college courses. By 1961, Charlotte College leaders moved its student population into the first two buildings, Kennedy and Macy, on what would become a 1,000-acre campus ten miles from downtown Charlotte. In 1963, the North Carolina legislature approved bills making Charlotte College a four-year, state-supported institution. In 1965, the legislature passed bills designating the College The University of North Carolina at Charlotte, the fourth campus of the consolidated state system. Expansion continued as the University began offering master's degrees in 1969. In 1992, UNC Charlotte received authorization for its first doctoral programs. UNC Charlotte is the state's urban research institution and the system's third largest public university with greater than 32,000 students enrolled.

## JAMES H. WOODWARD, BUILDING FOR THE FUTURE

Dr. James H. Woodward became UNC Charlotte's third chancellor in 1989. A U.S. Air Force veteran, he worked in private industry and taught at North Carolina State University, the U.S. Air Force Academy and the University of Alabama at Birmingham, where he was a senior vice president for academic affairs. Under his leadership, UNC Charlotte launched ambitious plans for both physical and intellectual growth. Woodward built strong support among the region's corporate and political leaders, obtained approval to expand the University's mission to include doctoral programs and raised the University to doctoral/research intensive status. He established UNC Charlotte Uptown to serve students in the central business district. An engineer, Woodward generated support to build the James H. Barnhardt Student Activity Center and the Irwin Belk Track and Field Center, obtained state funding for doubling the size of the J. Murrey Atkins Library and was instrumental in garnering public support to pass a \$3.1 billion statewide bond referendum that enabled UNC Charlotte to construct or renovate nearly a dozen buildings. He retired in 2005. Woodward has received numerous honors, including the naming of the science and technology building in 2005 as James H. and Martha H.

Woodward Hall in recognition of his 16 years of service. In May 2011, UNC Charlotte awarded him an honorary degree, Doctor of Public Service. Woodward received the UNC Charlotte Alumni Association's Alumnus by Choice Award in 2012. In November 2017, he was awarded the North Carolina Award for Public Service.

## PHILIP L. DUBOIS ENROLLMENT GROWTH AND ACADEMIC EXPANSION

At the time of his retirement on June 30, 2020, Dr. Philip L. Dubois, UNC Charlotte's fourth chancellor, was the senior chancellor in the University of North Carolina system. He led the system's fastest-growing institution, directing a 43% growth in enrollment, an expansion of academic programs, implementation of diversity-related initiatives, growth in research funding and significant construction and renovation of campus facilities. Under Dubois' strategic direction, football was added to the University's athletics offerings in 2013, and he collaborated with elected officials and the Charlotte Area Transit System to make possible the construction of the light rail line from Center City Charlotte to the UNC Charlotte campus. Dubois' career in higher education spanned more than 40 years. Previously, he served as president of the University of Wyoming, provost and vice chancellor for academic affairs at UNC Charlotte and associate vice chancellor for academic programs at the University of California, Davis. Dubois has been recognized regionally and nationally as an expert in higher education, achieving many awards and accolades during his respected career. In 2020, Dubois was recognized by the American Council on Education with its Outstanding Mentor Award, by the UNC Charlotte Alumni Association with its Honorary Alumnus Award and by North Carolina Governor Roy Cooper with The Order of the Long Leaf Pine.

## THE UNIVERSITY NICKNAME - 49ERS

The "49ers" nickname was chosen in recognition of the importance of the year 1949 in the history of the University. UNC Charlotte, which began as an off-campus center of the University of North Carolina, would have died in 1949 had Bonnie Cone and her supporters not convinced the N.C. Legislature that Charlotte needed a permanent institution of higher learning. Charlotte College was established that year. It is fortuitous that the University campus is located on N.C. Highway 49 and that Charlotte has a rich gold mining history. A bronze statue of the 49er Gold Miner sits in Cauble Quad. The statue recalls the region's history as a gold mining center and symbolizes the pioneering spirit and determination that has led to UNC Charlotte's dramatic growth.

## CHANCELLOR SHARON L. GABER

Sharon L. Gaber, Ph.D., serves as the fifth Chancellor of The University of North Carolina at Charlotte. Since her arrival as Chancellor in 2020, the University has embarked on a bold 10-year strategic plan that articulates a new vision to drive discovery and innovation for the region as a globally recognized public research university. Charlotte officially earned the nation’s top research designation, Carnegie R1, in February 2025.

Dr. Gaber’s leadership has been widely recognized. In 2025, she received the World Citizen Award from the World Affairs Council of Charlotte and was named the *Charlotte Business Journal’s* Business Person of the Year. Also in 2025, the American Enterprise Institute named her one of the best college presidents of the century (#25 out of more than 400) for her impact on access, affordability and student success while president of the University of Toledo. She was named one of the *Charlotte Business Journal’s* Most Admired CEOs in 2021 and was featured on its Power 100 list in both 2022 and 2024. She has also appeared on

Business North Carolina’s Power List for four consecutive years. An active civic and professional leader, Dr. Gaber serves on the boards of Charlotte Center City Partners, the Charlotte Executive Leadership Council, Women Executives and the International Women’s Forum – Carolinas. Nationally, she serves on the Executive Committee of the American Athletic Conference and on the board of the Coalition of Urban Serving Universities.

A native of Southern California, Dr. Gaber holds an A.B. in Economics and Urban Studies from Occidental College, an M.P.L. in Urban Planning from the University of Southern California and a Ph.D. in City & Regional Planning from Cornell University.

Prior to arriving at UNC Charlotte, Gaber served for five years as president of the University of Toledo. Earlier in her career, she served as provost and vice chancellor for academic affairs at the University of Arkansas. She has also served as an administrator and interim provost at Auburn University and as a faculty member and administrator at the University of Nebraska-Lincoln.

Officially the first woman to serve as chancellor of UNC Charlotte, Gaber follows the trail blazed by founding educator Bonnie Cone, who led the institution from 1946-66 through several stages of growth. Gaber is the proud mother of three children: Allison, Peter and Jen (dec).
